

Colorado Capitol Watch

Account/Profile Logo Instructions

This document explains logo requirements and instructions.

Colorado Capitol Watch allows you to display a graphic logo on your account's online reports. If your logo is not uploaded, the reports will default to the Colorado Capitol Watch logo.

Display options:

- Your logo can be uploaded at the account level, meaning the same logo will appear on all online profile reports in the account.
- Your logo can be uploaded at the profile level, which means that the logo will appear only on the online reports for the assigned profile. You can have a different logo for each profile in your account.

Logo file type options:

- **JPG** is the preferred format if your logo has a white or color background. For example:

- **PNG** is the required format if your logo has a **transparent background**. For example:

Logo size options:

- **Small.** 380 pixels (width) x 112 pixels (height).
- **Details.** Logo fills the header space (top of the report down to the blue header line). For example:
